### Villa Celeste □ Exclusive Residence on Lake Garda

In the heart of the lush nature of Torri del Benaco, on the Verona shore of Lake Garda, stands Villa Celeste, a prestigious residence currently under construction, scheduled for completion by summer 2027. Located in Pontirola, just minutes from the historic center, Villa Celeste is an architectural project that combines elegance, sustainability, and contemporary design. Spread across three levels, it houses six independent units, all with panoramic lake views, large windows, terraces, and private gardens. The high-quality materials and refined finishes blend with the surrounding natural setting, enhancing every space. Residents have access to a splendid common area with a swimming pool, solarium, and landscaped garden. Each apartment includes a private garage (purchased separately), independent access, and an internal elevator connecting all floors, ensuring maximum comfort and privacy.
